

**Expressions of interest are invited by Newcastle Cathedral  
for the Common Ground in Sacred Space Project**

Newcastle Cathedral is inviting expressions of interest from contractors to tender for a single contract to undertake remodelling of internal areas, installation of underfloor heating, relaying of stone floor, renewal of services, asbestos removal, hard landscaping to external area and repair and refurbishment of the existing fabric of the Grade I Listed Newcastle Cathedral, St Nicholas Square, Newcastle upon Tyne.

The budget for the foregoing works is circa **£3.6 million**. This project is funded by the National Lottery Heritage Fund.

Companies who wish to register an interest in tendering for this work can do so now by email to [lindy.gilliland@stnicholascathedral.co.uk](mailto:lindy.gilliland@stnicholascathedral.co.uk) or by post to Lindy Gilliland, Cathedral House, 42 – 44 Mosley Street, Newcastle upon Tyne, NE1 1DF. Details of company background, previous projects, etc are not required with the expression of interest.

This notice will also shortly be available by on-line portal along with a pre-qualification questionnaire. Please keep an eye on the Cathedral website for further information. The target date for return of questionnaires is 5<sup>th</sup> August 2019.

Following appraisal of the pre-qualification questionnaires, contractors who have shown proven relevant experience of work in the heritage sector, along with exemplary health and safety records and appropriate technical and management capacity and financial standing, will be invited to tender.
